[Electronic Copy of Google Campus Preference Form](#) To fill out the form electronically, students will need to make a copy and rename the form to make it their own.

It is important to understand that all grade 9 students will be assigned to either the ELC Campus or the Main Campus. This is your opportunity to assist us in your assignment. You are not choosing a campus but rather you are letting us know the reasons you prefer one campus over the other. The assignment team will use this information to help assign you to a campus.

Why do you believe your preference of campus is a good fit for you?
