

# Bowes Knows Bugle

## NOVEMBER ISSUE

### A LOOK BACK AT THE LAST MONTH

#### Important Events

Our annual **Terry Fox Run** was a big success as usual! We teamed up this year to earn over \$3,300, with our top fundraising students being Jake Carlstrom-Juister and Ember Maddigan. Great job trying like Terry Bulldogs!

**Truth and Reconciliation** day occurred on September 30th. The BBMS Indigenous Department provided lessons and videos to TAG classes to discuss, reflect and learn more about this important initiative. Staff and students wore orange shirts to support and acknowledge this day on Friday Sept. 27th.

**Thanksgiving** was another hit, with everyone joining together for a delicious feast, thanks to Mrs Kelly and Vivian! Also we expressed what we were grateful for on leaves and made a "gratitude tree" courtesy of Ms Peever.

#### Spooky Spirit

This Halloween sure was one for the books! Leading up to the spookiest day of the year, the grade 9 leadership group organized a totally terrifying Haunted House! On Tuesday the 29th and Wednesday the 30th, we had a kid-friendly and extra spooky house running after school. Raising a whopping \$2,000, it was a great success and definitely spooked a few folks.

On Halloween, everybody turned out with their spookiest (and silliest) costumes. From a show-crashing Spiderman, to Police Officers, to Phineas, Ferb and Perry the platypus, to witches and more! The costumes this year were on point! We hope everyone had a very safe and happy Halloween!
