## A LOOK AHEAD

### MOVEMBER

Once again, our school will support and raise awareness about men's mental health, suicide prevention, and cancer. To honour this, Mr. Bell, Mr. Collier, Mr. Longstaff, Mr. White and Mr. Windhorst will grow a moustache for this cause. Each of these fine gentlemen will receive a Movember mason jar to collect funds. So make sure you're donating bulldogs! Each teacher will have donation goals and for every one they make, they will have a crazy challenge or dare!

### Remembrance Day

On Friday, Nov. 8th, our school will be honouring the lives lost in the world wars, and remembering the sacrifices made. Remember to wear your poppies, and stay respectful during this time. A reminder to everyone that schools will be closed on Monday, November 11th for this day of remembrance.
