Guest Appearances

- Near the end of September, a guest (Three Crows Productions) came to Bert Bowes and put on an amazing production of "How the Raven Stole the Sun." It was a very fun, interactive and educational play that starred River Quintal as the chief, Tyler Hoskyn as the chief's daughter, and William Hansma as the Raven. Three Crows Productions brought lots of laughter to EVERYONE'S Tuesday morning, and gave us a great start to our week, teaching us about storytelling and environmental preservation of indigenous lands.
- D.O, a Canadian rapper, appeared at Bert Bowes on Halloween to show off his dope freestyles and rhymes! Dylan Hughes (AKA: D-heazy) was brought up on stage to rap with D.O, and gave us a wonderful performance! Did you know: D.O set the world record FOR THE LONGEST freestyle rap? It's 8 hours and 45 minutes!
